Message from the Chairman

by **Steve Herrschaft**

Greetings everyone.

Hope you all had a wonderful thanksgiving. You know, we here in the U.S.A. sure have a lot to be thankful for. I especially want to thank all the man and women who are actively serving, and who have served in the armed forces to keep this great country of ours free and safe.

Seattle Skeet and Trap was the host for our 1st shoot. The day was cloudy and some what cold with just a hint of a drizzle right near the end.

I want to thank everyone at **SST** from the grounds crew to the many volunteers who get everything ready for the **WWTSL** shoots. Thank you all for your dedication to the league and to skeet shooting as a whole. And what about that new club house! Much, much, better than the trailer. Great job and thanks again.

This year we had something happen on the first shoot that we have not seen in a while. **Jerry Bennett** shot a **100!** Congratulations **Jerry**, I hope we see more of those. **Chip Cosgrove** is close behind with a 99. All the scores and classifications are posted elsewhere in this news letter. Speaking of the Skeetline newsletter, **Oran Petersen** is the man with the magic. He inputs all the information, prints, collates, and mails the Skeetline after each shoot. Thank you **Oran** for all you do, we would be lost without you!

Not only did we have some great scores but we had great food too. “No one in this house goes hungry” was **Kathy Olson's** phrase of the day. **Kathy** served up piping hot pasta fazool and chicken noodle soup, rolls, salad, and all the trimmings. Next time you see her be sure to thank her.

Something new I am doing this year, hopefully you have all heard about it, is having a drawing for **FREE targets**, paid for by the **WWTSL**. I am proud to announce **Randy Kear** is the first winner. **Randy** will have his targets paid for at our next shoot at **Bremerton**.

Hats, Hats, Hats, we have hats. Be sure to pick yours up if you have not done so. They will be available at each shoot and be sure to thank Gill Hildebrand for donating our league hats! This is something that Gill has been doing for quite a long time.

We have so many things going on by so many people, it's no wonder we have time to shoot. **Dick Koch** is offering **FREE skeet lessons** to any one at any skill level who is shooting in the league this year. Give him a call to set up a time that works best for you. Take advantage of it, these things don't come around often.

Well, that's about it.

See you soon, and wishing you 2 always at low 8.

Steve
